

PRODUCT SPECIFICATION SHEET

XL COMPRESSOR OIL 100 PAG

Fully Synthetic EP Industrial Compressor Oil

Meets or exceeds the requirements of:

- AGMA 9005/E02: EP
- DIN 51 517-3 (2004) CLP-PG
- ISO 6743-6 and 12925-1: CKC / CKD / CKE / (CKS) / CKT

XL Compressor Oil 100 PAG is particularly suitable for the lubrication of industrial equipment subject to high mechanical and thermal stress. The ability of these lubricants to withstand dilution by hydrocarbon gases is particularly advantageous in liquid ring vacuum pump and centrifugal compressors handling high concentrations of hydrocarbon and gasoline vapours.
